

Locum GP

Mereside Medical

£350 per session plus NHS pension, or £400 per session without

Around us NHS services are struggling, life is difficult for many but primary care in East Cambridgeshire is thriving. We care about the service we provide for our patients. Can you help us?

We offer the opportunity to sign up for shift work to supplement our permanent staff. These could be regular slots each week or made to fit around your schedule. We can accommodate remote working where needed.

Join our team and learn alongside us. We have a thriving MS Teams environment with practical monthly learning points, regular clinical audits and chat with colleagues. For every 8 shifts that you complete, we will pay you for a session of CPD.

Coming soon, evening and weekend shifts as part of Ely PCN extended access.

If you are interested and want to know more please contact us on: cpicb.mereside-recruitment@nhs.net
